MONARCH

DEDICATION

A hand-drawn scroll with a thick black border, tilted at an angle. The scroll is unrolled, showing a white interior with handwritten text. The top and bottom edges of the scroll are rolled up, with small circular details visible on the left and right sides respectively. The text is written in a cursive, handwritten style.

We, the seniors of
1957 wish to dedicate
this edition of the
monarch to Blunt,
our community, for
her faithful sup-
port of the school,
its students, and
its activities.

G GRADUATES

"Never say you've reached the end,
There's always something more;
Something grand and wonderful
To strive and struggle for.

Don't build walls around yourself,
Or shroud the window pane;
Look out on the distant view
And dare to dream again."
