Class History

The Senior Class of 1958 reached their freshman year with the enrollment of 11, Richard Howard, Joy Lahman, Dale July, Betty Burley, Dallas DuBois, Calvin Vincent, Delbert Jones, Viley Lauing, Gary King, Gray Wright and Richard Johnson. Rick Howard helped the Seniors of that year present a play. Dale July, Dallas DuBois, Delbert Jones, Richard Howard, Gary King, participated in basketball. Joy Lahman played basketball on the girls team. She was also a cheerleader. Our officers were: Joy Lahman, President, Richard Howard, Vice-President and Viley Lauing, Secretary-Treasurer.

The following year we lost two of our members, Richard Johnson and Dallas DuBois. In their stead we received Cynthia Edmundson. Betty Burley was our President, Joy Lahman, Secretary-Treasurer and Cynthia Edmundson was Vice-President. All the girls participated in Girls' Glee and Betty Burley and Cindy Edmundson were in Triple Trio. Librarians were Viley Lauing and Cindy Edmundson from our class. Cindy Edmundson was our Declam winner. All the boys but Calvin Vincent played basketball. Joy Lahman was cheerleader.

'57 found us with two more members, Karen Siegel and David Nighswonger. That year Viley Lauing was President, Betty Burley Secretary and Treasurer, and Gary Wright was Vice-President. We put out the annual school paper. Betty Burley, Karen Siegel, Dale July, Cindy Edmundson and Joy Lahman went out for Declam-- Betty Burley won and went to regional. The girls all participated in Girls' Glee and Betty Burley and Cindy Edmundson were in Sextette. Richard Howard, Dave Nighswonger, Cindy Edmundson, and Joy Lahman were in Octet. Dave Nighswonger, Viley Lauing, Joy Lahman, Rick Howard, Karen Siegel played in the band. Rick and dave were in quartet. Rick and Joy sang solos. All the boys were out for basketball and Betty Burley was cheerleader. We also presented a Junior play.

We approached our Senior year with 8 members; Viley Lauing, Gary Wright, Dale July, Betty Burley, Rick Howard, Dave Nighswonger, Garry King and Delbert Jones. Viley Lauing was elected President, Betty Burley our Secretary and Treasurer and Garry King was Vice-President. Joy Lahman returned at the semester from attending school in California to finish school here. Rick, Dave and Joy played in the band and the whole senior class participated in singing. Rick, Dave and Joy were in mixed quartet and Rick and Dave also were in boys quartet. Betty and Viley were out for declam and Viley is our D.A.R. candidate. All the seniors were in the Minstrel show and Betty Burley did the artist work for it.

Class Prophecy

As I adjust my super time changer and take a fleeting glance into the future I see many different changes in the lives of the Seniors of Blunt, 1958.

I see someone approaching, he is wearing a green hat, blue shoes, and purple suit. This is a perfect match for his red hair. There is an air of business about him, he is the manager of the Chicago Stockyards, none other than Kcir Drawon.

The next thing that catches my eye is a dress shop, the front of it is covered with pictures of beautiful women. My attention caught by this fabulous advertising I walk in. Behind the counter is a distinguished looking woman. Her hair is cropped short and is a dark color, she has jewelry on her arms, neck, ears and even in her hair. Her million was made on her vocabulary which consists of "DahLing," the lady in question is our own Ytteb Yelrub.

My wanderings take me past a college and who should I see there but Yrrag Gnik. He is a subdued gentleman who teaches Chemistry. He is very dedicated to his work as he carries a bottle around with him all the time. (Chemicals, of Course!)

I board an airplane and while traveling over South Dakota it crashes into a very barren part of the country. As I pull myself out of the wreckage I find myself surrounded by golden-haired children. Someone comes bustling up to shoo them away and to my surprise it turns out to be Yeliv Gnial, now Mrs. Kruob.

My next visit is to Timbuktoo, where I expressly want to see that noted comic, Elad Yluj. He has made a series of movies entitled, "The Eyes Have It." We wish him much success in his new job as Headshrinker of the Gogamoogies.

As I was coming back to civilization I ran into my old buddy Xet Senoj. He is now a millionaire in Texas. When ask the secret of his success he replied, "T'warnt nothin' to it, Just dig, man, dig." I wonder if he still uses '57 Fords to Dig with ????

Seeing Thanksgiving is drawing near I decided to go out in the country to buy me a turkey and the first farm I came to was owned by Evad Regnowsgin, the best farmer in the country, he got his education across the tracks.

Having run into trouble I was deported to Sing Sing and my warden turned out to be none other than Yrag Thgirw, the boy voted "Personality Plus" in high school. He enjoys his work immensely because as he puts it, "I can now get even with my old teachers!"

As Sing Sing was to infallible I was transported to Mars on a Jet and my pilot turned out to be Yoj Namhal. In school she was always taking trips and now she has her own line of Satellites and Jets to which she visits often.

Class Will

We the Seniors of 1958 (being of sound mind and body), having acquired nothing more than a few bad habits in the last 12 years, wish to prepare our last will and testament.

To the Freshmen (dear, sweet, innocent little things,) we will nothing more than three more miserable years.

To the sophomores, who by now know all the ropes, we will the ability of putting on a better Junior play than we did.

And to the Juniors, the next rulers, we will the ability of becoming SENIORS!

In accordance with all rules and regulations, we shall now proceed to divide among the remaining inmates our most valued possessions.

To Carl Chambers, Rick wills his ability to flirt with girls. Take good care of this, my boy.

Viley wills Don Bourk to any two girls who think they can handle him.

Tex wills an old beat up '57 Ford to his dear teacher, Miss Stomp, so she won't have to walk to school.

Betty wills her ability of waiting tables to Roger Butts, so his dad won't have to hire any help.

Garry King wills his ability of getting to Onida to Tom Howard so he can carry on the tradition.

Joy wills her ability to drive and stay alive to Jim McDaniel, who we know will cherish it forever.

Gary (Goo n) wills his big fist to a COOL CAT from Minnesota to better his chances of existence in Blunt.

Dave wills his ability to cross railroad tracks under any circumstances----- and sometimes more than five times a NIGHT!

'Oh o, Bones!'

'Guess Who'

'Neki Hokey'

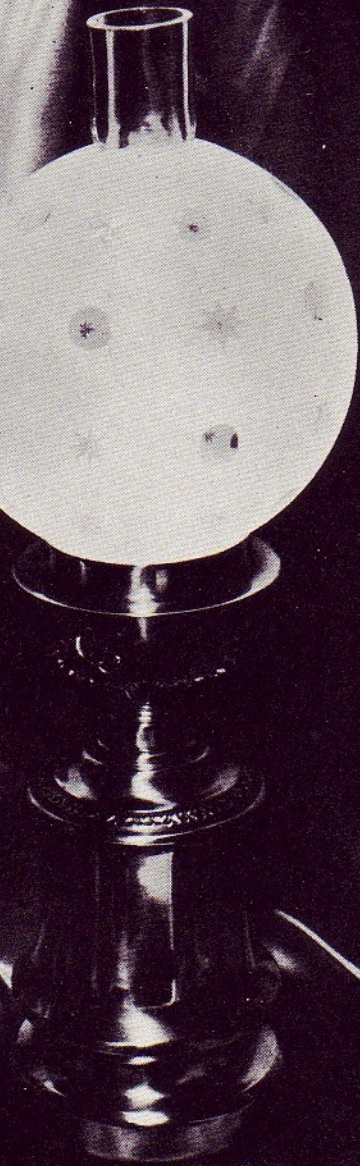

'What? Me Worry!'
