Hi all,

Welcome to the 2nd Annual Blunt Fest. As you can see by my license plate I'm a 1974 El Camino and I've spent my entire life in Blunt. I was original purchased by Vince Welch on April 10, 1974 from Beck Motors in Pierre and spent the next 34 years of my life with Vince.

On March 10, 2005 Vince up and sold me to Joe O'Dell who also lives in Blunt so I still didn't get out of Blunt. Oh well, it's been a pretty good life here in Blunt even though I don't get out much. Even though I've got a few dings here and there I haven't been abused and my 400 hundred engine is still as strong as ever. Oh did I mention I've only got 17,625 actual miles maybe that's why I still feel so good...

Now that you know a little something about me you can call me El. Enjoy your day and we hope to see you next year at the 125th Blunt Fest.

Your Friend,  
El
